

QUALITY POLICY

Health Premium Home Health Care Services is committed to provide the best services to its patients and proactively contribute to the excellent health care services delivered to all patients in the UAE.

We follow a comprehensive Quality Management System which is in compliance with all regulatory requirements, medical and quality standards. This is regularly reviewed for relevancy and improvement. We take pride in providing services with utmost quality and exceeding patient requirements and expectations.

We are an equal opportunity employer, who cares for its employees as much as it does to its patients, and makes sure that all of them are competent and well trained in all aspects of patient care and healthcare services. Our employees are thoroughly educated on quality procedures and regulatory requirements applicable to our facility and our valued patients.

The company, including all its employees, are devoted to providing holistic care to our patients and their families and facilitate an excellent patient experience.
